No class 1 member may hold more than one class 1 membership in the Cooperative. No class 2 member may hold more than one class 2 membership in the Cooperative. In the event a person, firm, association, corporation or body politic or subdivision thereof has both a class 1 and class 2 membership, he or it shall be considered to have a single membership for purposes of all voting and notification rights set forth in these bylaws. No membership in the Cooperative shall be transferable, except as provided in these bylaws. Any subsequent reference in these bylaws to "members" or "membership" shall include both class 1 and class 2 members. Any subsequent reference in these bylaws to "Cooperative" shall also include any wholly owned subsidiary of the Cooperative.

Section 2: Joint Membership

Unless the Cooperative is otherwise advised in writing, the membership of an individual shall be deemed to be jointly held by the individual and his or her spouse, subject to their compliance with the requirements set forth in Section 1 of this Article. Any provisions relating to the rights and liabilities of joint membership shall apply equally with respect to the individual member and his or her spouse. Without limiting the generality of the foregoing, the effect of the hereinafter specified actions by or in respect of the holder of a joint membership shall be as follows:

- A. The presence at a meeting of either or both shall be regarded as the presence of one member;
- B. The vote of either separately or both jointly shall constitute one joint vote;

- G. Either but not both may be elected or appointed as an officer or director, provided that both meet the qualifications for such office.

Section 3: Conversion of Membership

- A. A membership may be converted to a joint membership upon the written request of the holder thereof and the agreement by such holder and his or her spouse to comply with the articles of incorporation, bylaws and rules and regulations adopted by the Board of Directors.

Each member shall pay to the Cooperative such minimum amount per month regardless of the amount of electric energy consumed, as shall be fixed by the Board of Directors from time to time.
- B. Each member shall pay all amounts owed by him to the Cooperative as and when same shall become due and payable. Any expelled member may be reinstated by vote of the Board of Directors or by vote of the members at any annual or special meeting. The membership of a member who for a period of six (6) months after service is available to him, has not purchased electric energy from the Cooperative, or of a member who has ceased to purchase electric energy from the Cooperative, shall be canceled by resolution of the Board of Directors. Termination of membership in any manner shall not release a member of his estate from any debts due the Cooperative.

Section 2: Patronage Capital in Connection with Furnishing Electric Energy

- A. In the furnishing of electric energy the Cooperative's operations shall be conducted so that all patrons will through their patronage furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of the fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to his account. All such amounts credited to the capital account of any patron shall have the same status as though they have been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.
- B. All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, in so far as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided.
- C. In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to

dissolution or liquidation, the board shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital credited to patrons' accounts may be retired in full or in part. The Board of Directors shall determine the method, basis, priority and order of retirement, if any, for all amounts heretofore and hereafter furnished as capital.

- D. Provided, however, that the Board of Directors shall have the power to adopt rules providing for the separate retirement of that portion ("Power Supply Portion or Supplemental Financing Portion") of capital credited to the accounts of patrons which corresponds to capital credited to the account of the Cooperative by organizations furnishing electric service or supplemental financing to the Cooperative. Such rules shall
 - a. establish a method for determining the power supply portion or supplemental financing portion of capital credited to each patron for each applicable fiscal year,
 - b. provide for separate identification on the Cooperative's books of the power supply portion or supplemental financing portion of capital credited to the Cooperative's patrons,
 - c. provide for appropriate notifications to patrons with respect to the power supply portion or supplemental financing portion of capital credited to their accounts and
 - d. preclude a general retirement of the power supply portion or supplemental financing portion of capital credited to patrons for any fiscal year prior to the general retirement of other capital credited to patrons for the same year or of any capital credited to patrons for any prior fiscal year.
- E. Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the board, acting under policies of general application, shall determine otherwise.
- F. The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the articles of incorporation and bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.
- G. Notwithstanding any other provision of these bylaws, the board at its discretion, shall have the power at any time upon the death of any patron, who was a natural person, if the legal representative of his estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these bylaws, to retire capital credited to any such deceased patron immediately upon such terms and conditions as the board, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby. The Board of Directors shall determine the method, basis, priority and order of retirement, if any, for all amounts heretofore and hereafter furnished as capital.
